- (a) - by promotion of a Court servant on the basis of seniority-cum-merit or on the basis of merit-cum-seniority as provided in the Second Schedule. When promotion is on the later basis the selection will be, in the discretion of the Chief Justice either on the basis of his service record or on the basis of oral and/or written departmental examinations as may be prescribed from time to time by the Chief Justice.

Where the Chief Justice considers it appropriate, a Departmental Promotion Committee may be constituted by him for making its recommendation for the purposes of such selection.

- (b) by direct recruitment on the basis of such examination as may be prescribed by the Chief Justice from time to time.
- (c) by transfer or deputation of a person serving outside the Court in connection with the affairs of the State of the Himachal Pradesh or attached to Courts subordinate to the High Court or serving in any other High Court in the Union or attached to Courts subordinate thereto, notwithstanding the provisions made in the Second Schedule.

*Note.*—Where more than one method is provided in the Second Schedule, it shall be open to the Chief Justice to select any one or more of such methods for effecting such recruitment.

5. *Representation to Scheduled Castes/Scheduled Tribes and Ex-servicemen.*—To secure better representation for scheduled castes, scheduled tribes and ex-servicemen, the percentage of posts to be filled up by direct recruitment shall be as prescribed by the Chief Justice from time to time. Such reservation shall be subject to the condition that the candidates possess, unless relaxed by the appointing authority, the minimum qualifications as mentioned in Schedule II. In case such candidates be not available, the reserved posts may, in the discretion of the Chief Justice, be filled from amongst the other candidates.

6. *Qualifications for appointment.*—The qualifications for recruitment to any post or class of posts shall be as are specified in the Second Schedule; provided that the Chief Justice may, by general or special order, relax the qualifications as aforesaid and/or add to the qualifications for a post or class of posts.

7. *Appointing Authority.*—All appointments to the posts shall be made by the Chief Justice in his absolute discretion; provided that the Chief Justice in exercise of the powers conferred upon him under Article 229 of the Constitution may, by general or special order, direct any other person specified in the said Article to make appointments to any post or class of posts in the Court.

8. *Probation.*—Every person appointed to a post by promotion or by direct recruitment shall be on probation for a period of two years; provided that the period of probation may in the case of any person be extended or reduced or dispensed with altogether by order of the Chief Justice.

9. (a) *Temporary appointment.*—Where it is necessary to fill a vacancy in any post and undue or administrative inconvenience is expected in appointing a person who is qualified for or entitled to such appointment or a duly qualified person is not available, the appointing authority

may appoint any other suitable person temporarily until an appointment is made in accordance with these rules.

(b) (i) A person appointed under sub-rule (a) shall be replaced as soon as possible by a member of the regular service in the High Court, who is entitled to promotion under these rules, or, as the case may be, by a candidate selected by direct recruitment under these rules.

(ii) A person appointed under sub-rule (a) shall not be regarded as a probationer holding the post nor will he be entitled by reason only of such appointment to any preferential claim to future appointment to that post.

(iii) If such a person is subsequently appointed to that post in accordance with these rules, he shall commence his probation in such division, category or post from the date of such subsequent appointment or from such earlier date as the Chief Justice may determine.

10. *Seniority.*—(1) Persons appointed in a substantive or officiating capacity to a grade on the date immediately preceding the date on which these rules come into force, shall retain the relative seniority already assigned to them or such seniority as may hereafter be assigned to them.

*Explanation.*—For the purposes of these rules, persons serving as Court servants on the date preceding the date on which these rules come into force and who are subsequently confirmed retrospectively with effect from a date before these rules come into force shall be deemed to be permanent members of the grade.

(2) Subject to the provisions of sub-rules (1) and (3) of this rule permanent members of each grade shall be ranked senior to persons who are officiating in that grade.

(3) *Direct Recruits.*—Notwithstanding the provisions of sub-rule (2) the above relative seniority of the direct recruits shall be determined by the order of merit in which they are selected for appointment and persons appointed as a result of an earlier selection will be senior to those appointed as a result of a subsequent selection.

Provided that where the persons appointed on probation are confirmed subsequently in an order different from the order of merit indicated at the time of their appointment, seniority shall follow the order of confirmation and not the original order of merit.

Provided further that a person who does not join, within the prescribed period, the post to which he is appointed, shall lose his seniority according to the selection and shall rank in the seniority list next to the person who joined earlier.

Provided further that he shall not lose his seniority if the fact of his joining later was caused by circumstances beyond his control and, for reasons to be recorded in writing, the appointing authority is satisfied that this was so.

(4) *Promotees.*—(i) The relative seniority of persons promoted to the various grades shall be determined by the order of their selection for such promotion, provided that where persons promoted initially on temporary basis are confirmed subsequently in an order different from the order of merit indicated at the time of the promotion, seniority shall follow the order of confirmation and not the original order of merit.

(ii) Where promotions to a grade are made from more than one grade, the eligible persons shall be arranged in a separate list. Thereafter the appointing authority shall select persons for promotion from each list upto the prescribed quota and arrange all the candidates selected from different lists in a consolidated order of merit which shall determine the seniority of the persons on promotion to the higher grade.

*Explanation.*—Where promotions are made on the basis of selection, the seniority of such promotees shall be in the order of merit determined by the appointing authority. Where promotions are made on the basis of seniority subject to the rejection of the unfit, the seniority of persons considered fit for promotion at the same time shall be the same as their relative seniority in the lower grade from which they are promoted. Where, however, a person is considered as unfit for promotion and is superseded by a junior, such person shall not, if he is subsequently found suitable and promoted take seniority in the higher grade over the junior person who had superseded him.

(5) *Relative seniority of direct recruits and promotees.*—The relative seniority of direct recruits and promotees shall be determined according to the rotation of vacancies reserved for direct recruits and promotees respectively, in these rules.

*Note.*—Where 75 per cent of the vacancies are reserved for promotion and 25 per cent for direct recruits, each direct recruit shall be ranked in seniority below the promotee. Where the quotas are 50 per cent each, every direct recruit shall be ranked below a promotee. If for any reason a direct recruit or a promotee ceases to hold the appointment in the grade, the seniority list shall not be rearranged merely for the purpose of ensuring the proportion referred to above.

11. *Conditions of Service.*—In respect of all such matters regarding the conditions of service of Court servants for which no provision or insufficient provision has been made in these rules, the rules and orders for the time being in force applicable to servants holding corresponding posts in the Government of Himachal Pradesh shall, until provision is made by the Chief Justice in that behalf, regulate the conditions of service of Court servants subject to such modifications, variations or exceptions, if any, in the said rules and orders, as the Chief Justice may, from time to time specify:

Provided that no order, containing modifications, variations or exceptions in the rules relating to salaries, allowances, leave or pension shall be made by

the Chief Justice without the approval of the Governor:

Provided further that the powers exercisable under the rules and orders of the Government of Himachal Pradesh by the Governor or by any authority subordinate to the Governor, shall be exercisable by the Chief Justice or by such person as he may, by general or special order, direct:

Provided further that the Chief Justice will determine the post in the Government which corresponds to a post shown in the First Schedule.

12. Incumbents of posts carrying corresponding scales and grades of pay shall be subject to *inter se* transfer.

### PART III

13. *Control and discipline.*—The Court servants shall be governed by the rules contained in the Central Services (Classification, Control and Appeal) Rules, 1965 and other rules and provisions of law, as amended from time to time, applicable to Government servants as far as practicable in respect of suspension, discipline and punishment:

Provided that the authorities mentioned in those rules and any other provision of law, shall be the Chief Justice or a Judge appointed by the Chief Justice or the Registrar if empowered by the Chief Justice in that behalf:

Provided further that the Registrar and the Deputy Registrar if belonging to the Higher Judicial Service and Judicial Service respectively shall be governed by the rules applicable to the said services.

14. *Appeal.*—Where any penalty is imposed by a Judge appointed as aforesaid or by the Registrar by virtue of rule 13, an appeal shall lie from that order to the Chief Justice and where any penalty is imposed by the Chief Justice otherwise than on an appeal from the order of the Judge or the Registrar, an appeal from that order shall lie to a Bench of not less than two Judges of the High Court who may include the Chief Justice;

Provided that the Chief Justice alone shall be empowered to impose any penalty on the Registrar of the High Court.

15. (a) The period of limitation for filing an appeal shall be 30 days from the date of the order appealed against, provided that for reasons to be recorded in writing the period may be extended by the Chief Justice. In computing the period for filing an appeal, the time requisite for obtaining a copy of the order appealed against shall be excluded.

(b) A person who files an appeal under these rules shall do so by a petition which shall be presented personally to the Registrar and, where the appeal is filed by the Registrar, to the Chief Justice.

(c) After reading the petition of appeal the appellate authority may either summarily reject it without hearing the petitioner or may in its discretion dispose it of after hearing the petitioner and any other person concerned with the matter. Legal practitioners will not be permitted to appear in these proceedings.

## PART IV

16. *Conduct.*—(1) Every Court servant shall at all times maintain absolute integrity and devotion to duty.

(2) No Court servant shall act in a manner prejudicial to discipline and good order in the Registry.

(3) The rules and orders for the time being in force and applicable to servants holding corresponding posts in the Government of Himachal Pradesh in regard to conduct shall apply *mutatis mutandis* to the Court servants subject to such modifications, variations or exceptions, if any, in the said rules and orders as the Chief Justice may, from time to time, specify.

## PART V

17. *Residuary powers.*—Nothing in these rules shall

be deemed to affect the powers of the Chief Justice to make such order from time to time as he may deem fit in regard to all matters incidental or ancillary to these rules not specifically provided for herein or in regard to matters as have not been provided for or not been sufficiently provided for.

18. *Interpretation.*—All questions relating to the interpretation of these rules shall be referred to the Chief Justice whose decision thereon shall be final.

19. *Removal of difficulty.*—If any difficulty arises in giving effect to any of the provisions of these rules, the Chief Justice may by order in writing do what appears to him to be necessary for the purpose of removing the difficulty.
